Personal Summary

Self-motivated web developer with over two years experience in front end technologies, with ability to communicate effectively with people and also work as part of a team as well as independently. Passionate and hardworking with a penchant for meeting deadlines. I am interested in a front end role with a company that promotes best practices and offers opportunity for career growth.

Skills

Html. Css. Scss. Light Bootstrap.

Version-Control(Git). Parcel(bundler). Agile-methodology.

Javascript. OOP (Object Oriented Programming). JQuery.
